- ✦ I decide I want to change my program/major/concentration *after* the deadline?
 - Submit your request during the next program change window.

- ✦ I want to talk to someone about changing my major outside of the window?
 - Reach out! We're happy to talk about program changes year-round.

- ✦ I decide I want to change my program as a result of preregistration/open enrollment?
 - Discuss your plan/enrollment goals with your academic advisor.

- ✦ I'm still feeling confused...
 - Reach out to arecords@moody.edu.
