

ONLINE-TO-CAMPUS COURSE EQUIVALENCIES – UNDERGRADUATE 2024-25

PURPOSE: For students enrolled in Chicago-based programs looking to fulfill program requirements with online courses.

This document lists the online-to-campus course equivalencies for MBI Chicago programs. Students do not need prior permission to take any of the approved substitutes on this sheet. However, not all requirements listed are required in all Chicago programs. **Accordingly, students must confirm their program requirements and the applicability of courses before and after registration using their [Program Plan and Academic Requirements Report](#).** For the purposes of this document, “online” refers to fully **asynchronous** courses, which includes the Online Instruction and Online Self-Paced modalities (read more about [course modalities](#); view the [online course schedules](#)). *Reading this on paper? See bottom of following page for help navigating to these pages.*
